

We are following the recommendations of the Center for Disease Control (CDC) as well as state and local authorities to keep our patients, employees, and our communities as safe as possible.

We understand the concern and uncertainty you may be experiencing around the evolving situation, and we're committed to being responsive and flexible to our patients' needs.

Currently, our offices remain open and operating normally per the recommendations and business guidelines provided by the CDC.

If you are having symptoms or are feeling sick, we ask that you please call to reschedule your appointment to respect the safety of other patients, our team members, and the communities we services.

Therefore, your appointment will be rescheduled if you answer **"Yes"** to ANY of the following:

- Are you experiencing cold or flu symptoms, particularly fever, cough, or shortness of breath?
- Have you or anyone close to you had contact with anyone diagnosed with Coronavirus or the flu in the last three weeks?
- Have you been diagnosed with Coronavirus, the flu, or any other communicable illness in the last three weeks?
- Have you or anyone close to you traveled outside the United States within the last three weeks?

Your safety and well-being remain our foremost priority and we at Orthotic & Prosthetic Solutions are committed to following the recommendations from health authorities.

Should you have questions, please contact Orthotic & Prosthetic Solutions at 855-205-8102
